THE ALEXANDER-LEWES

If old-fashioned country charm gets your blood flowing, then the Alexander-Lewes, with all of its charisma, will steal your heart.

Special features, such as a covered front porch, a large sunroom, a first floor master suite and a large country kitchen, will entice you to further explore the house. Bastian has thought out all of the details that make this home so livable. And while the spirit of the Alexander-Lewes house harkens back to an earlier age, this home is completely in tune with the spirit of today.
